## Springview Acres Homeowner's Association

We know that you and your neighbors are concerned about the long-term upkeep of Springview homes, streets, ponds and other common amenities. The fifteen homes advertised here will belong to the Springview Acres Homeowner's Association. This Association allows you the opportunity to have a voice in key areas that will protect the value of your investment for years to come.

### Handicap Accessibility

Springview Acres makes getting around your home easy with no steps, not even to get in the front door!

### A Beautiful Lawn Without the Work

The landscaping staff at Springview Acres will care for your lawn and trees, ensuring that your yard is picture perfect - no matter the season.

### Enjoy The Snow - It's Never A Problem

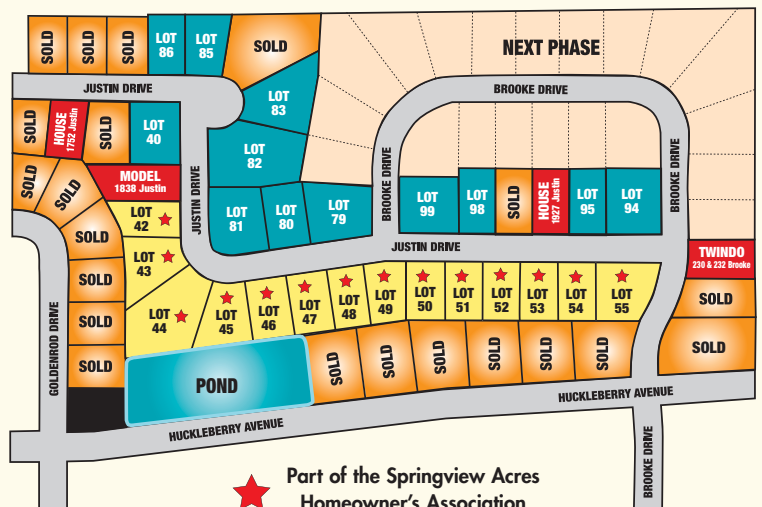

Springview Acres makes winter in Wisconsin a lot easier. Our staff will clear the snow and ice from streets, sidewalks and even your driveway. You'll be looking forward to snow as much as when you were a kid!

### Our Streets Are Quiet Streets

Whether you're walking down the sidewalk, enjoying the pond, or relaxing with family and friends in your yard, Springview Acres has less traffic, less noise and fewer reasons to worry.

### We'll Help When It's Time To Sell

Don't worry about selling your home in Springview Acres. We can even help you sell your house. We have a professional staff here to assist you.
